Please note that we will be communicating mostly via e-mail for any issues regarding FFB Grading. Should you change your e-mail address please notify us immediately at **mjmpom@gmail.com**.

Remarks: Please note that MJM Palm Oil Mill prefers FFB to be delivered via lorry fitted with hydraulic jack to prevent long queue at the loading area. FFB delivery using single/double cabin truck will only affect the loading efficiency. Your kind understanding is very much appreciated. Thank you.
